HEAD COACH

The Club Professional is James Brobin who has put together a coaching programme that will Meet the club vision and his aim is to get more people playing tennis and with more players we Will produce better players with a view to finding the next Tim Henman, Andy Murray or Steffi Graff.

Tennis clubs are once again the heartbeat of British Tennis, thanks to the drive and directives Of the Lawn Tennis Association. James is here to implement these directives and provide the Club coaching and Match Play programmes that are required, he is already a well established Professional experienced and respected coach in Cornwall. James was voted Cornwall coach of Year in 2011 and regional coach of the year in 2019.

Enjoy your tennis

JAMES BROBIN L.T.A S.P.C COACH

SUCCESS IS A JOURNEY NOT A DESTINATION

LAUNCESTON TENNIS CLUB

JUNIOR TENNIS

School Holiday tennis camps (enrolment forms to be issued to all participants Including surrounding schools)

Individual lessons available on request or recommendation

£28.00 per hour members

£34.00 per hour non members

JUNIOR MATCHPLAY PROGRAMME

SUPER SET TENNIS LADDER

The super set tennis ladder runs all year round and each Junior member can occupy a box on the tennis ladder.

The aim is clear. To improve your performance by climbing the ladder, with any one player being able to challenge for a higher place on the ladder. This is the equivalent of football's FA Cup, where a smaller fish can become an even bigger one.

If a player lower on the ladder challenges and wins they swap positions. All matches must be one set plus a tiebreak if required. Challenges can take place in your own time, just arrange a time to play.

In order to join or remain on the ladder you need to be a member.

A cup will be presented annually to the ladder leader, the ladder challenge starts on the 1st Jan and closes on the 1st Dec every year.

THE JUNIOR DAVIS CUP

At the end of every school term there will be two junior Davis cup events, this event is open to all junior players and all players will receive an email/text confirming the date and time of this fantastic internal competition.

There will be Junior Davis cups a year.

All players are expected to sign in 15 mins before the event starts at the clubhouse with their money and registration. Players will then be split into teams.

Juniors will be split into teams of 4 or more and given a country that they will represent for that day. The countries they represent will compete against each other using a Round Robin format. Country names could be as big as the U.S.A or as bizarre as the Cook Islands.

The juniors will be graded according to ability, the number one seeds will be the better players and the number 4 seeds the players with less experience.

Each match will consist of one singles match and possibly one doubles for each player along with a special event. Each match will see the 2 number 1 seeds from each country face off and so on. The special event will be a team game. The time limit for each match will be a minimum of ten mins. The scoring system will be similar to table tennis 1,2,3 and up with players serving five points each before changing. This system makes every point worth playing as the total amount of points won by a country, counts towards the outcome of the day.

The special event will be a team game like tug of war, football, tag rugby or something bizarre depending on my choice of events. Points will be awarded on events won. A leader board will be on show in the club house charting the progress of each country and leading individuals with the highest tally of points.

At the end of the year when the last Davis cup has been played, awards will be given to all juniors that have represented the winning country and a cup to the individual that has scored the most points.

Davis Cup Members £8.00 Non Members £9.00

L.T.A Ratings and More Match Play Opportunities

Please ask your coaches about club membership so that you can be an active Member of our tennis club and take part in more activities, also ask about British Tennis Membership, L.T.A Ratings and take part in much more than What the club has to offer such as competitions at other clubs, club teams, County teams and much more such as Wimbledon visits.
